

## **Club Meeting – July 12, 2011**

Board members present were Todd Swain – Assistant RE, Virginia Apker – Treasurer, Betty Martin – Secretary, Steve Herrod, Patrick Lipsinic, Jon Pyeatt, James Stowers, and George Walker. The minutes of the June meeting and the treasurer's report were approved with a correction to the minutes concerning the amount the Club will receive for the National Rally Cross event.

**Solo Report – Todd Swain:** The July event at TRP was canceled due to the condition of the parking lot. The October event at TRP will be canceled due to the divisional Rally Cross event being held there. One of these events will be rescheduled. The next event is on July 24 at the Fair Grounds.

**AVRG Report – Betty Martin:** There were 90 entries for the Regional/National held at Hallett on July 2-3. Although there was only one entry in the school, we proved that a school can be successfully integrated into the schedule for such an event.

**Rally Cross Report – Pat Lipsinic:** The rule book for Rally Cross is available on the SCCA website. Planning is well underway for the National event to be held in October. SPS will supply the trophies for the divisional event in July. We possibly have a sponsor for the welcome party at the Divisional.

James Stowers mentioned that he has a neighbor who might be interested in doing some newspaper stories for us. Discussion concerning coverage in the papers followed.

### **Old Business:**

James asked about the pictures from the last Solo event. He has received some questions about them.

### **New Business:**

George Walker thanked everybody who helped him on his way to his national license.

Meeting asdjourned.

Betty Martin, secretary
